Report of Principal and School

As the only magnet high school in Berkeley County School District, the Middle College has successfully completed its fourth year. Our student body increased from 93 students in year three to 102 students in year four. Two of our seniors received Associate Degrees from the college nearly a full month prior to receiving their high school diplomas. Two students received Certified Nursing Assistant credentials, one student received a Patient Care Technician credential, and three students met the requirement for Pre-Nursing Certificates from the college.

Our students collectively attempted 592 dual credit college courses with a success rate of 94%. Our US History EOC scores are among the highest in the district. The Class of 2014 earned \$838,000.00 in scholarships. Our students participated in the Quest academic competition, Beta Club, National Honor Society, Fellowship of Christian Athletes and various service learning/community service projects. Eighty-five percent of our junior class participated in job shadowing and 46 or 47 seniors earned a WorkKeys credential. Our academic intervention program was a tremendous success in supporting our students as they achieved a 99% pass rate in all high school classes.

We are located on the Berkeley Campus of Trident Technical College and serve students from the district's seven comprehensive high schools. Our partnership blends high school and college course work to provide students with rigorous academic pathways, comprehensive guidance support and job shadowing, as well as multiple opportunities each week for academic tutoring and advisement.

At Berkeley County Middle College High School, it continues to be our joy to help students begin their transitions into higher education and bright futures.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A

60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
